

Stand-Safe™

THE FOOD & BEVERAGE MAT

CLEANABILITY

COMFORT

SUSTAINABILITY

SIMPLY BETTER THAN THE REST

Specifically designed for industries that require cleanliness and comfort such as food and beverage manufacturing and processing, healthcare, hospitality and many others.

- Provides phenomenal anti-fatigue comfort
- Available in 3 colors – black, navy and gray
- Made of TPE material which is light, extremely easy to clean and durable
- Has modular capabilities, if required
- Comes in 2 versions – with holes for drainage and without
- Stays in place with an anti-slip base, even in wet environments
- Can be recycled when no longer in use

COMPLIANT WITH THE

EMBEDDED WITH

ANTI-BACTERIAL
TECHNOLOGY

SAME PRICE POINT, BETTER FEATURES

We couldn't find an existing anti-fatigue mat at 2x3ft that drains, cleans as easily, or hangs to dry as well as this one!

DISSIPATES LIQUIDS

The surface structure prevents liquids from pooling. Under the mat, moisture drains away through channels and will not get trapped.

CLEANS EASILY

Designed specifically for messy environments. Just lather and rinse. This mat will endure most cleaning regimens in the food industry.

HANGS TO DRY

Only 14lbs and easy to hang to dry, especially with our patented horizontal or vertical hangers that are a perfect-fit accessory.

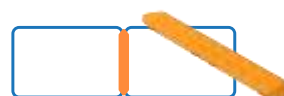

ENHANCE YOUR MAT WITH PERFECT-FIT ACCESSORIES
